

## Notes – CEDEN User Group Meeting

**Date:** August 18, 2016

Item No.	Item
1	<b><u>Welcome</u></b>
2	<b><u>Updates</u></b> <i>Brief notes on the data checker (constituents and time).</i>
	<b><u>Notes</u></b> The group reviewed information on converting time entries to the acceptable formats and facilitating constituent requests that had recently been posted on the Checker's Troubleshooting page ( <a href="http://ceden.org/CEDEN_checker/Checker/Troubleshooting.php">http://ceden.org/CEDEN_checker/Checker/Troubleshooting.php</a> ).
3	<b><u>CEDEN Web Services Project Update</u></b> <i>Update the group on our project to make CEDEN data available through web services.</i> <ul style="list-style-type: none"> <li>• <i>General Query</i> <ul style="list-style-type: none"> <li>○ <i>Single use delivered in json format</i></li> <li>○ <i>More typical for use in application. Working with a few groups to monitor server impacts and usability; requires log in. We will be advertising it.</i></li> </ul> </li> <li>• <i>Safe to Swim Portal</i> <ul style="list-style-type: none"> <li>○ <i>Working on incorporating 30 day geometric mean calculation</i></li> </ul> </li> </ul>
	<b><u>Notes</u></b> Jarma discussed the web services project. If anyone is interested in using the web services, contact Jarma (916-341-5532, <a href="mailto:jarma.bennett@waterboards.ca.gov">jarma.bennett@waterboards.ca.gov</a> )
4	<b><u>CIWQS to CEDEN Project</u></b> <i>Update on our project to get chemistry data that has been submitted to CIWQS via eSMR to CEDEN.</i> <ul style="list-style-type: none"> <li>• <i>Delayed because we didn't account enough for the WQX/web service project</i></li> <li>• <i>We have</i> <ul style="list-style-type: none"> <li>○ <i>draft mapping</i></li> <li>○ <i>fields in CIWQS</i></li> </ul> </li> </ul>
	<b><u>Notes</u></b> We are working to get this connection by the spring. If you have any questions about it, contact Jarma (contact information above).
5	<b><u>Data Entry Template Examples</u></b> <i>This item is to discuss example data that can be used in the Taxonomy template.</i>

<b>Item No.</b>	<b>Item</b>
	<p><b><u>Notes</u></b> The group reviewed the updates to the Taxonomy template. The links on the Notes_Information tab were updated and a blank template, as well as a template with a few example records will be posted.</p>
6	<p><b><u>Next Meeting</u></b> The September meeting was cancelled. The User Group will meet again on October 20.</p>
