Notes – CEDEN User Group Meeting

Date: October 20, 2016

Item No.	Item
1	**<u>Welcome</u>**
2	**<u>Updates</u>** *Query tool webinar.* **<u>Notes:</u>** Jarma Bennett reviewed a draft webinar that may be used in the future for communicating information about CEDEN's Advanced Query Tool.
3	**<u>Data Entry Template Updates</u>** *Review updates to the Tissue Template.* **<u>Notes:</u>** Similar to the templates for other data categories, the template for tissue has been updated to provide a blank template and a template containing example data. Links and the formatting for "not required" fields were also updated.
4	**<u>Integrated Report Data Solicitation Webpage</u>** *Discuss a new CEDEN web sub-page regarding the data solicitation process for the 303(d) and 305(b) Integrated Report.* **<u>Notes:</u>** The group reviewed the new page entitled *Providing Data to be Assessed for the 303(d) List*, which is located at http://www.ceden.org/303d_list.shtml. It highlights some of the key points of submitting data to be assessed for the 303(d) list, including the requirement for a Quality Assurance Program Plan (QAPP).
5	**<u>Wrap Up</u>** *Next meeting: November 17, 2016*
